JOSE LEDEZMA

BACKEND DEVELOPER

EMAIL: othonibij@gmail.com **PORTFOLIO**: othonibij.com **LINKEDIN**: www.linkedin.com/in/jose-ledezma-p +52 3315643571

Profile

Hello, I have strong backend knowledge primarily in **PHP**, **Laravel**.
In frontend, I am proficient in **Javascript**, **Json**, **Vue.js**, **Html5**. Managing versions on **Bitbucket** or **Github**.
Regarding design, I enjoy working with **Bootstrap** and **CSS**.
In databases, tools like **SQL** and **MySql** are my favorites.
I like to maintain a positive attitude, have good work ethics, and deliver robust and easily understandable code.
I am always willing to learn new technologies and adapt to the company's needs.

Experience

Systems Assistant | Jabil Packaging Solutions | 2019 - 2021

Software Developer | Jabil | 2021 - Present
Developing practical applications to maximize the efficiency of company areas using pure PHP 7, Laravel 8.75, JavaScript, and other technologies to streamline the company's service demand and improve delivery times, resulting in monetary savings.

Projects

PPV app (Jabil): Measures the effectiveness of acquiring goods and services in terms of cost savings to reduce losses or generate profits.
Exams app (Jabil): Application that allows users to take exams on their machines, saving time in employee transportation.
Mold Changeover app (Jabil): Application that sends work orders from line leaders to service engineers to optimize task time and keep track of them.
Line Clearance app (Jabil): Application that allows dynamically creating questionnaires depending on which line the work was done and allowing their review once completed, giving area managers control over how employees are doing their work.

Facebook Clone(portfolio): Custom clone that allows creating functions to interact between profiles.
Airlines app(portfolio): Custom application for flight reservations and management.
Cars app(portfolio): Custom application for buying and selling cars, as well as their management.

Education

Information Technology | University of Guadalajara | CUCEA | 2015 - 2019.
English B1 | CUCEA.
